

THE BABY AND ME

(PARTNER'S QUESTIONNAIRE)

This questionnaire asks about your health and lifestyle now that the baby is over 6 months old.

Some questions may seem similar, but they are not the same. Others will be the same as you have answered in earlier questionnaires. This is so that we can see how things may have changed for you.

All the answers you give are confidential. We would be grateful if you would help us by answering as many of these questions as possible, but if there is any question you do not want to answer that is fine. Just leave it blank.

THANK YOU VERY MUCH FOR YOUR HELP

FILLING IN THIS BOOKLET

Most of the questions can be answered by ticking the box beside the right answer.

For example

How many times have you been to the supermarket in the past week?

None	<input type="checkbox"/>	1	1-2	<input checked="" type="checkbox"/>	2	2-6	<input type="checkbox"/>	3	7 or more	<input type="checkbox"/>	4
------	--------------------------	---	-----	-------------------------------------	---	-----	--------------------------	---	-----------	--------------------------	---

This means you went to the supermarket once in the past week

Sometimes there are questions with if in front of them.

For example

a) Have you been to the supermarket today?

Yes	<input type="checkbox"/>	1	No	<input checked="" type="checkbox"/>	2
-----	--------------------------	---	----	-------------------------------------	---

This means you didn't go to the supermarket and you don't need to answer the next question

b) If yes, did you buy any carrots?

Yes	<input type="checkbox"/>	1	No	<input type="checkbox"/>	2
-----	--------------------------	---	----	--------------------------	---

In general, though, each question needs an answer.

In some questions you may be asked to describe something. It would be helpful if you wrote as clearly as possible.

The small numbers in the squares are for only.
